5/80 WARRANTY COVERAGE

Chrysler offers for 1983 a comprehensive warranty for 12 months or 20,000 kilometres covering repairs to any part of the vehicle which proves defective in materials or workmanship in normal use. In addition, power train components are covered for 5 years or 80,000 kilometres (subject to deductible). Ask your Dealer for complete details.

5/80 OUTER PANEL ANTI-CORROSION PROTECTION

The 5/80 Outer Panel Anti-Corrosion Limited Warranty provides protection against perforation for outer panels up to 5 years or 80,000 kilometres (whichever occurs first) from the warranty start date. Ask your Dealer for complete details.

5/80 SERVICE CONTRACTS

Optional 5/80 Chrysler Service Contracts are available that provide you with protection against tomorrow's rising service and parts costs, starting after your vehicle's basic limited warranty expires and lasting for 5 years or 80,000 kilometres (whichever occurs first) from your vehicle's original in-service date. The plans have a \$25 deductible and provide an allowance for alternate transportation and towing. Ask your Dealer which Service Contract best suits your vehicle and driving needs.

CARAVELLE SALON

Plymouth Caravelle Salon Four-Door Sedan

1983 Plymouth Caravelle Salon brings you price-conscious luxury

Here is an automobile whose look of richness is unmistakable, but whose cost is competitive.

1983 Caravelle Salon takes you wherever you go in roomy comfort. You'll enjoy the positive feel of its torsion-bar front suspension, the quiet that comes from Unibody Construction and the luxurious softness of a foam-padded cloth bench seat with centre armrest. A 60/40 split-bench seat is available for those who require individual seating. Colour-keyed interior appointments add a pleasing visual touch.

The 1983 Caravelle Salon is immensely satisfying in other ways, too. Extensive use of galvanized steel that builds-in corrosion protection for long-lasting durability, and Chrysler quality throughout assures you that Caravelle will keep its looks and value. The 3.7-litre (225 cu. in.) "Super-Six" engine and standard Torqueflite 3-speed automatic transmission deliver the necessary power with an economy of operation that is surprising for a large car.

And Caravelle options let you tailor the car to your liking. Consider just a few:

- A. **Digital Clock.** A handsome addition to the instrument panel with easy-view readout and exceptional accuracy.
- B. **Electronically Tuned AM/FM/MX Stereo Radio with Cassette Player.** What's your pleasure? Talk, music, whatever, they're all instantly at your fingertips without drift, fade or distortion.
- C. **Automatic Speed Control.** Reduces driver fatigue and increases fuel efficiency on long trips at highway speeds. Set it and take your foot off the accelerator . . . the car moves steadily along at uniform speed.
- D. **Air Conditioning** lets you travel in comfort whatever the weather.
- E. **Wire Wheel Covers** are the answer if you want to give Caravelle an added touch of dash and distinction.
- F. **Electric-Heated Rear Window.** When cold weather comes you'll be thankful many times over for the clear rear visibility.

Your Dealer has complete details on the full list of additional Caravelle Salon options available. See him for details.
