IT'S TIME YOU GOT
SOMETHING MORE THAN
BASIC TRANSPORTATION
FROM A FAMILY CAR.

It's a given that you'd like your family's next car to be functional, safe and affordable. But would it be too much to expect a comfortable interior and great styling? Would it be unreasonable to demand a car that's fun to drive? Not if your next car is Cutlass Supreme by Oldsmobile. → Cutlass Supreme offers you three very interesting possibilities: a personal coupe, a family sports sedan and an exciting convertible. Inside each, you'll discover a spacious interior filled with comfort and convenience features. Take any Cutlass Supreme out on the road and you'll feel the refined performance of a true driver's car. → For 1995, Oldsmobile offers you a better way to buy a Cutlass Supreme. You won't have to go through the hassle of comparing a lot of confusing models and option packages, because both the Coupe and Sedan give you the simple choice of two well-equipped versions. Series I includes our most popular features, while Series II adds even more luxurious amenities. The Convertible also comes with its own long list of standard features. → Whichever you choose, you'll get more than the basics — you'll get an exceptional car at an exceptional value.

*Cutlass Supreme doesn't ask you to give up an EXHILARATING driving
experience for the PRACTICALITY of a family car.*

The Safety Factor

AN EXHILARATING DRIVING EXPERIENCE STARTS WITH A FEELING OF CONFIDENCE BEHIND THE WHEEL. THAT'S WHY CUTLASS SUPREME IS ENGINEERED TO HELP YOU **PREVENT** AN ACCIDENT. A 3100 V6 ENGINE PROVIDES RESPONSIVE POWER WHEN YOU NEED TO MANEUVER QUICKLY. FOUR-WHEEL ANTI-LOCK DISC BRAKES AND POWER RACK-AND-PINION STEERING HELP YOU MAINTAIN CONTROL, WHILE FRONT-WHEEL DRIVE AND 4-WHEEL INDEPENDENT SUSPENSION GIVE YOU SUREFOOTED TRACTION AND STABILITY. OF COURSE, CUTLASS SUPREME IS ALSO ENGINEERED TO HELP **PROTECT** YOU AND YOUR FAMILY IF A COLLISION OCCURS. DUAL AIR BAGS ARE STANDARD. THE UNIBODY STRUCTURE HAS FRONT AND REAR CRUSH ZONES, AS WELL AS SIDE DOOR BEAMS, TO HELP ABSORB AND GUIDE CRASH ENERGY AWAY FROM THE PASSENGER CABIN. AND THE INTERIOR IS DESIGNED WITH FLAME-RETARDANT FABRICS AND IMPACT-ABSORBING PADDED SURFACES. SINCE SECURITY IS ALSO PART OF SAFETY, CUTLASS SUPREME COMES WITH A PASS-KEY VEHICLE SECURITY SYSTEM AND AN ILLUMINATED ENTRY FEATURE THAT LIGHTS UP THE INTERIOR WHEN YOU LIFT THE DOOR HANDLE.

*Cutlass Supreme is designed to help you **PREVENT** an accident and to help **PROTECT** you when a collision is unavoidable.*

Automatic programmable power door locks add to your personal security by locking automatically after you shift out of Park.

Side door beams are one reason every 1995 Cutlass Supreme Sedan meets 1997 federal side-impact safety standards.

Cutlass Supreme's standard anti-lock braking system (ABS) helps the driver maintain steering control by minimizing the chance of wheel lockup and skidding during hard braking.

For 1995, every Cutlass Supreme is equipped with dual air bags. Remember, you should always wear your safety belts, even with air bags.

Cutlass Supreme's standard engine is a 3100 V6 that delivers 160 horsepower and 185 lb-ft of torque. It uses sequential port fuel injection to optimize performance and features composite rocker arm covers for quieter engine operation.

The 3.4-liter DOHC V6 engine breathes through four valves per cylinder, producing 210 horsepower and 215 lb-ft of torque. It's part of an optional performance package that includes a sport suspension with performance tires, variable-assist steering, dual exhaust, and on the Coupe and Convertible, a rear aero wing.

Performance

AS SOON AS YOU SHIFT INTO DRIVE AND PRESS THE ACCELERATOR, YOU'LL KNOW CUTLASS SUPREME IS BUILT TO ANSWER THE CALL OF THE OPEN ROAD. ITS STANDARD 3100 V6 ENGINE DELIVERS THE TORQUE AND HORSEPOWER YOU NEED FOR A SATISFYING DRIVING EXPERIENCE. CUTLASS SUPREME ALSO OFFERS YOU AN AVAILABLE 3.4-LITER DOHC V6, WITH ADDITIONAL POWER FOR QUICK ACCELERATION AND CONFIDENT PASSING. BOTH ENGINES ARE MATCHED TO A 4-SPEED AUTOMATIC TRANSMISSION THAT SHIFTS ALMOST IMPERCEPTIBLY TO PROVIDE A SEAMLESS FLOW OF POWER ON DEMAND. AND LIKE ANY SERIOUS PERFORMANCE CAR, CUTLASS SUPREME COMBINES POWER WITH AGILE HANDLING. TAKE IT THROUGH A CURVE AND YOU'LL FEEL THE ACCURACY OF POWER RACK-AND-PINION STEERING AND THE ROAD-HUGGING GRIP OF 4-WHEEL INDEPENDENT SUSPENSION, PERFORMANCE TIRES AND 16-INCH ALUMINUM WHEELS.

*Cutlass Supreme delivers the POWER and POISE you expect
from a true DRIVER'S CAR.*

Interior Space

FOR 1995, CUTLASS SUPREME'S ROOMY, 5-PASSENGER INTERIOR HAS BEEN REDESIGNED TO PROVIDE IMPROVED ERGONOMICS AND OCCUPANT PROTECTION. A CONTOURED INSTRUMENT PANEL HOUSES NEW, EASY-TO-READ ANALOG GAUGES AND LOGICALLY PLACED CONTROLS. A CENTER CONSOLE INTEGRATES A FRONT SEAT ARMREST WITH A STORAGE AREA AND DUAL CUPHOLDERS, AND BEHIND IT ALL, YOU'LL FIND THE REASSURANCE OF CUTLASS SUPREME'S DUAL AIR BAGS.

For 1995, Cutlass Supreme offers a REDESIGNED INTERIOR. That means you're going to feel MORE COMFORTABLE than ever.

The new instrument panel design features a full set of analog gauges, including a tachometer, oil level monitor and coolant temperature gauge.

— YOU SHOULD FEEL AS
GOOD ABOUT BUYING
YOUR NEW CAR AS
YOU DO DRIVING IT.

Buying a new car SHOULD be fun. But we know that sorting through options and hagglng over prices can make it a frustrating experience. So not long ago, we began to explore a new, simpler way to buy an Oldsmobile. → First, we simplified the selection process by making our most popular options standard equipment on most models. To simplify our pricing, we removed the confusing discounts and rebates. But we left in the savings. → The response was so encouraging, we've gone a step further for 1995. This year, every Oldsmobile model is available in just one or two versions that are so well-equipped, there is only a handful of options to consider. And we've simplified pricing across the board, enabling your Oldsmobile retailer to skip the hagglng and quote you the best possible price right up front. → Simply put, our new way of doing business means Oldsmobile now offers you even more car for your money... and a more enjoyable way to buy it. And that's certainly something you can feel good about.

— Oldsmobile introduces a simpler, BETTER way for you to buy a car.

After all, it's your MONEY.

WE WANT YOU TO BE SATISFIED WITH YOUR NEW OLDSMOBILE LONG AFTER THE SALE.

In addition to a comprehensive warranty, we also offer courtesy transportation, provide 24-hour roadside assistance and even guarantee your satisfaction. Which may not sound so important right now, but you'll appreciate them should the need ever arise. Just ask one of our owners.

Teri Myers locked the keys in her Oldsmobile and spent an hour watching a locksmith try to break in. Then she remembered Oldsmobile Roadside Assistance. She called 1-800-442-OLDS and in no time had a new set of keys, at no charge.

Teri told us in an unsolicited letter, "When my salesman told me about your customer care program, I wasn't very impressed. But on the night of September 26, I got very excited

about it. Thank you for offering such a valuable service."
(Edited for length and clarity only. Actual letter on file.)

As an Oldsmobile owner, you'll get the Oldsmobile Edge:

Bumper-to-Bumper Warranty

Every part of your Oldsmobile is covered under our warranty, except tires (they have their own warranty), for three years or 36,000 miles, whichever comes first. And you won't have to pay a deductible.

24-Hour Roadside Assistance

We'll be there to help you 24 hours a day, 365 days a year, during the warranty period. All you need to do is call our toll-free number. There are over 15,000 emergency facilities ready to help you.

Courtesy Transportation

When you drop off your Oldsmobile for same-day warranty service, we'll give you a free one-way shuttle to 10 miles. For overnight service, we'll give you a loaner or reimburse you up to \$30 a day for transportation.

Guaranteed Satisfaction

If you're not satisfied with your new Oldsmobile, you can bring it back within 30 days or 1,500 miles, whichever comes first, and receive full credit toward the purchase or SmartLease of another new Oldsmobile.

THE GM CARD

Every time you use the no-annual-fee GM MasterCard,® GM will credit 5% of your purchase toward buying or leasing a new Oldsmobile. It could mean saving hundreds, even thousands, of dollars. Call 1-800-8GM-CARD for more information, including annual limits and restrictions.

ACCELERATED EARNINGS NETWORK

Visit participating GM retailers for up to 10% in GM Card earnings on eligible parts and service transactions. Call 1-800-947-1000 for more information.

SMARTLEASE

SmartLease lets qualified customers pay for the portion of the vehicle they use, rather than paying for the entire vehicle as you would with traditional financing. You'll also enjoy lower up-front costs and lower monthly payments. Plus, you'll be able to drive a new vehicle more often or drive a higher-priced model.
