<sup>1</sup> Preliminary horsepower and torque figures. <sup>2</sup> 163 horsepower on models equipped to meet California Partial Zero Emission Vehicle (PZEV) requirements. <sup>3</sup> The Supplemental Restraint System (SRS) (air bags) affords the driver and the front and rear outboard passengers additional protection in moderate to severe frontal and side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon bag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat.

2005 SUBARU LEGACY  
NECESSITY BECOMES DESIRE.

**2005 LEGACY WAGON** From the moment you slip into the luxurious yet exquisitely functional all-new

2005 Subaru Legacy Wagon, you realize it's a vehicle like no other. Of course, "all-new" doesn't begin

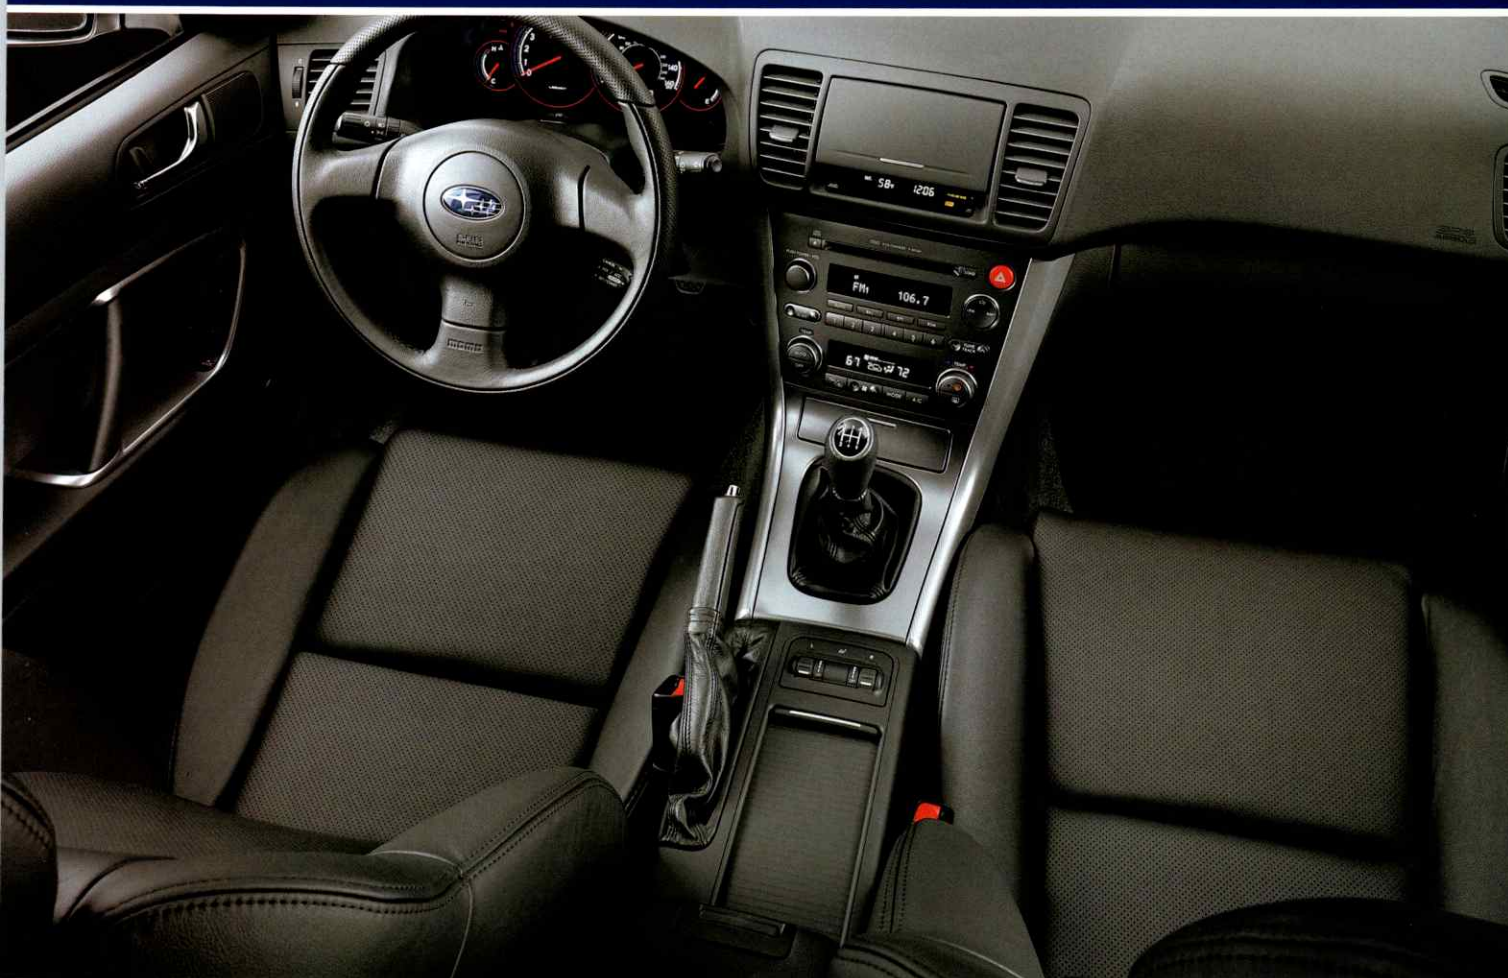

to describe the unexpected power and extraordinary capability found within its shapely exterior.

Consider the serious performance delivered by its 2.5-liter Subaru Boxer horizontally-opposed engine

with Symmetrical All-Wheel Drive (AWD). Its 4-wheel fully independent suspension. Its redesigned

and exceptionally rigid body structure. All resulting in a driving experience that's in a class by itself.

**NEED BECOMES WANT.** Redesigned to provide the perfect driving environment, the richly appointed new interior of the Legacy Sedan and Wagon caters to a driving enthusiast's every desire with unparalleled quality, comfort and craftsmanship. Engineered from the ground up for minimized noise and vibration, it offers a wide variety of thoughtful amenities and features, including an available power moonroof and leather seating, for the ideal blend of function and luxury.

FUNCTION BECOMES FUN.

INTERCOOLED, TURBOCHARGED SUBARU BOXER ENGINE > 250 HP<sup>1</sup> > 250 LB.-FT. OF TORQUE<sup>1</sup> > SYMMETRICAL ALL-WHEEL DRIVE

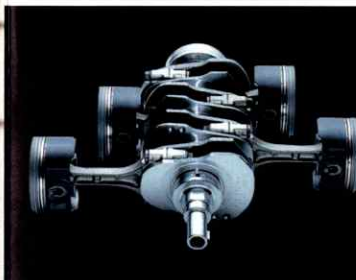

LOGIC BECOMES EMOTION.

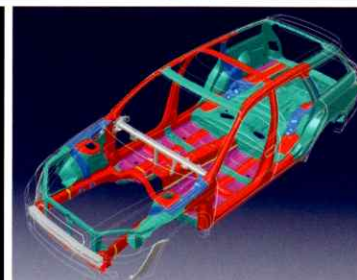

**INNOVATION BECOMES EXHILARATION.** What defines Subaru is a history of innovation and a quest for performance without compromise. To this end, the 2005 Legacy features a robust 168-hp<sup>2</sup> or a truly invigorating 250-hp<sup>1</sup> turbocharged, 2.5-liter Subaru Boxer horizontally-opposed engine with Symmetrical All-Wheel Drive. This advanced drivetrain is complemented by an incredibly rigid yet lightweight body structure and a sophisticated suspension for exceptional performance in every environment.
