2026 WRX 雷 KAMINARI EDITION

New for 2026, the limited and made-for-Canada WRX 雷 Kaminari Edition turns up the bold personality, with an exclusive Sunrise Yellow exterior colour. Based on the WRX tS, Kaminari translates to “Lightning” in Japanese, and adds strategic bright yellow accents to the seats, doors, instrument panel, centre console, and steering wheel. In addition, the Sport grille enhances the look up front, while the high-profile black trunk lip spoiler adds contrast. With 150 units priced at \$49,995, the 雷 Kaminari Edition stands out from the crowd.
